Subject: Planning for Panel Discussion at Mtg on December 6

Elke, Marina, Mike and Mike,

Thank you again for agreeing to participate in the "Discussion of **Points to Consider** Document and Pilot Results" session at the TSCA New Chemicals Meeting next Wednesday, December 6. I was hoping that we all could join together for a short call (15-20 minutes) tomorrow morning or early afternoon so that we could discuss logistics and raise/answer any questions.

Please let me know your availability tomorrow. If we cannot agree on a time amenable to all, I will call folks individually. Thanks.
